held on
19th-21st August
2020

Organized by

Department of Agronomy
College of Agriculture
Navsari Agricultural University
Campus Bharuch - 392012

Introduction: A lot is being said these days about students/farmers becoming 'entrepreneurs'. But what is entrepreneurship? What does it take to be entrepreneurial? How can an entrepreneurial behavior be created and sustained? How can entrepreneurial skills be developed? How do entrepreneurial students/farmers respond to the changing farming environment? What strategies do they use? What actions do they take? These are the important arising questions in agriculture for the students and farmers. And looking to this situation ICAR New Delhi also emphasis on Experiential learning (EL), which is a philosophy and methodology in which educators purposefully engage with learners in direct experience and focused reflection in order to increase knowledge, develop skills, entrepreneur and inculcate values. Navsari Agricultural University play a very vital role in increasing the entrepreneurship development growth in Gujarat by providing skilled to students /farmers by ELU and hands on trainings. Under COVID 19 situation, it is a prime requirement to transfer the technology to students/farmers for entrepreneurship development.
